

Lovefool

Kassandra

Dear I fear we're facing a problem
You love me no longer I know
And maybe there is nothing that I can do to make you do
Mama tells me I shouldn't bother
That I are to stick to another man
A man that surely deserves me but I think you do
so I cried and prayed and I begged
Love me love me say that you love me
Fool me fool me oh how you fool me
Love me love me say that you love
Cause you deserve me
And I cried and beg for you beg for you to
love me love me say that you love me
Cause you deserve me
I can't care 'bout anything but you
Lately I have desperately ponderd
Spend my nights awake and I wonder
what I could have done in another way to make you stay
Please we'll not make a solution
I will end up lost in confusion
I don't care if you really care as long s you don't go
So I cried and I prayed and I begged
Love me love me say that you love me
Fool me fool me oh how you fool me
Love me love me say that you love me
Cause you deserve me
And I cried I begged for you begged for you to
Love me love me say that you love me
Cause you deserve me
I can't care 'bout anything but you
(love me love me say that you love me)
Cause you deserve me
La la love me
La la love me
Cause you deserve me
(La la love me)
