

I Don't Know (feat. P. Diddy)

Usher

Check this out, yeah, yeah All my niggas take a walk with me
You ain't gotta holla, you can talk with me
Just try to learn where my thoughts can be
And how I stack figures
Learn why I'm real, still that niggas get money I ain't gotta do a crime
Shit I hit dimes, what I need with a nine
Before y'all judge me, be clear
We got nothing but heat here, beware, we here What's my name, got chicks twisted like
What's my game? Pimp things still the same
I smash it, I don't harass it
Ma' I'm a baller I score and pass it Feel me, still be filthy
If making hits is a crime, I plead guilty
And this is what we came to do
Party, Diddy, Usher, game is through, come on
Check it It's right around eleven o'clock, one of your girls just called
Asked you how you look, are you ready?
You tell her you look hot, not to worry at all
Niggas will be shook, y'all doin' it heavy She's telling you she might change but you tell her not to
She knows that she looks stunning it'll be fine
The club will be full of game but none of that has got'chu
Me, I think you're running 'cause I'm the one You see, I don't know what you came to do girl
What you came to do tonight but I came to party, oh
I don't know what you came to do girl
What you came to do tonight but I came to party, oh You're probably thinking to yourself what's the occasion?
And believe me girl I don't do sex for fun
The perfect gentleman in every situation
And the only thing that's missing is the one, is it you? I don't know what you came to do girl
What you came to do tonight but I came to party, oh
I don't know what you came to do girl
What you came to do tonight but I came to party, oh Sing it
Ghetto girls
Suburban girls
International girls, smell me? Ghetto girls
Suburban girls
International girls, smell me? Had to take the time to open up your mind
That's exactly what you are open
Look at the mesmerizing grind, she should be a crime
Damn baby, you're a star, you're smoking You're probably thinking to yourself what's the occasion?
And believe me girl I don't do sex for fun

The perfect gentleman in every situation
And the only thing that's missing is the one, is it you? I don't know what you came to do girl
What you came to do tonight but I came to party, oh
I don't know what you came to do girl
What you came to do tonight but I came to party, oh Sing it
Ghetto girls
Suburban girls
International girls, smell me? Ghetto girls
Suburban girls
International girls, smell me? It's real serious
You're so fine girl
At the end of the day
I'm going home with you I don't know what you came to do girl
What you came to do tonight but I came to party
