

Here and Now

Luther Vandross

One look in your eyes and there I see
Just what you mean to me
Here in my heart I believe
Your love is all I'll ever need
Holdin' you close through the night
I need you, yeah I look in your eyes and there I see
What happiness really means
The love that we share makes life so sweet
Together we'll always be
This pledge of love feels so right
And, ooh, I need you Here and now
I promise to love faithfully (Faithfully)
You're all I need
Here and now
I vow to be one with thee (You and me), hey
Your love is all (I need) I need Say, yeah, yeah, When I look in your eyes, there I'll see
All that a love should really be
And I need you more and more each day
Nothin' can take your love away
More than I dare to dream
I need you Here and now
I promise to love faithfully (Faithfully)
You're all I need
Here and now
I vow to be one with thee (You and me), yeah
Your love is all I need (Starting here) Ooh, and I'm starting now
I believe (I believe in love), I believe
(Starting here) I'm starting right here
(Starting now) Right now because I believe in your love
So I'm glad to take the vow Here and now, oh
I promise to love faithfully (Faithfully)
You're all I need
Here and now, yeah
I vow to be one with thee (You and me), yeah
Your love is all I need
