Summerland

King's X

Summer land in my past
Days were full and I knew it would last
I never thought
There was anything else but youSummer land
The wind is getting cold
Summer land
You're finally getting oldNot much time
There's much to do
Look ahead and walk on through
No one's taking sides this time it's youSummer land
Your sky can still be blue
Summer land
Always in love with youSummer land
Summer landSummer land in my past
Days were full and I knew it would last
I never thought
There was anything else but youSummer land
Summer land
The wind is getting cold
Summer land
You're finally getting old
