# Spy

## Tait

I've watched you watchin' me
But I can't see what you see
You ask me how I feel
But you don't believe me still, no'Cause what I say is here today
And gone tomorrowYou treat me like a spy when I come around
Just like a private eye roaming through your town
You treat me like a spy and I can't see why
If only looks could killYou taunt me, you doubt my faith
Then you shove it in my face
You tempt me but I won't bend
You've wasted your time again, yeahAnd it's a shame, will you ever change?
You're so suspiciousYou treat me like a spy when I come around
Just like a private eye roaming through your town
You treat me like a spy and I can't see why
If only looks could killYou treat me like a spy when I come around
Just like a private eye roaming through your town
You treat me like a spy and I can't see why
If only looks could kill, yeahYou treat me like a spy when I come around
Just like a private eye roaming through your town
You treat me like a spy and I can't see why
If only looks could killYou treat me like a
You treat me like a
You treat me like a spy
