

# Push It

## Static-X

Go

Corrosive tainted by my sin  
I'm spillin' blood and I can hardly contain it  
Corrosive hallowing the hands

Stiffened I eat away

Eat, eat into the surface Yeah, you push it

Yeah, you push it

Yeah, you push it

You, you push it

You, you push it

You, you push it Explosive more violent more violent

All consuming throbbing straight to the circle

Explosive move on reaction

I slow it down, I slow it

Down, down, down, down, down Yeah, you push it

Yeah, you push it

Yeah, you push it

You, you push it

You, you push it

You, you push it I see it, I need it

I see it, I need it

I see it, I need it

I see it, I need it I see it, I need it

I see it, I need it

I see it, I need it

I see it, I need it My mind is corrosive

I trip on corrosive

I freak see through me

My eyes are explosive

I feed on it

Black out crucify me Yeah, you push it

Yeah, you push it

Yeah, you push it

You, you push it

You, you push it

You, you push it Yeah, you push it

Yeah, you push it

Yeah, you push it

You, you push it

You, you push it  
You, you push it
