Hello Hooray

Alice Cooper

Hello! Hooray! Let the show begin
I've been ready
Hello! Hooray! Let the lights grow dim
I've been readyReady as this audience that's coming here to dream
Loving every second, every moment, every scream
I've been waiting so long to sing my song
And I've been waiting so long for this thing to come
Yeah, I've been thinkin' so long, I was the only oneRoll out! Roll out with your American dream and its recruits
I've been ready
Roll out! Roll out with your circus freaks and hula hoops
I've been readyReady as this audience that's coming here to dream
Loving every second, every moment, every scream
I've been waiting so long to sing my song
And I've been waiting so long for this thing to come
Oh, I've been thinking so long, I was the only oneAnd I can stand here strong and thin
And I can laugh when this thing beginsGod, I feel so strong, I feel so strong
I'm so strong, I feel so strong
I feel so strong, so strong
God, I feel so strong, I am so strong
So strong, I feel so strong, I feel so strong
I feel so strong, I feel so strong, I feel so strong
Yes I'm strong, feel so strong, feel so strong
