Don't Stop

Our Lady Peace

Can't get out of bed
Straighten up my head
I swear this is goodbye
I feel like lying here
I feel like dying here
And only you can save me tonight
I felt this earth spin and crash
The end of the world shouldn't come so fast
Don't stop sucking me in
Making me come back to you
No one will ever compare
Will ever be better than you
I feel powerless
I feel under dressed
I swear this is goodbye
I don't wanna go
I just seem to blow
Everything that I love tonight
I've been hiding here
I've been lying here
Watching life passing by
And I want you to know
I want you to know
I'd die for you
I'd die for you
I felt this earth spin and crash
The end of the world shouldn't come so fast
Don't stop sucking me in
Making me come back to you
No one will ever compare
Will ever be better than you
Don't stop sucking me in
Making me come back to you
No one will ever compare
Will ever be better, better, better than you
Oh, everyone's losing their minds
Healthy in paranoid times
I've said all my prayers for tonight
It's never goodbye

It's never goodbye
Don't stop sucking me in
Making me come back to you
No one will ever compare
Will ever be better than you
Don't stop sucking me in
Making me come back to you
Oh, no one will ever compare
Will ever be better, better, better than you
Better than you
Better than you
Better than you
Better than you
