[Verse 1:]Would you ever take your love away?
A question that I'm asking everyday
Cause nothing in this life is ever free
So baby can you tell me why it's me you love?
Why you give so much
Your touch is like ah signature
[Chorus:]You signed your name on my heart
And it's sincerely your's
You signed your name on my heart
You left a permanent mark on my heart
[Verse 2:]Usually they take from me then leave
But baby all you do is give what I need
Now I'm crying cause now I can't believe
I found love, I finally have peace
Baby you've given me a better view
I'm looking to spend my whole life with you
And I promise that I'll give my all to you
Ooooooooooh baby tell me why it's me you love?
Tell me why you give so much

Your touch is like ah signature
[Chorus:]You signed your name on my heart
And it's sincerely your's
You signed your name on my heart
You left a permanent mark on my heart
[Bridge:]I never thought, I'll ever findd someone
Who I can trust completely
But you prove to me it's not a dream
Now I believe that I was made for your love
[Chorus]Baby you signed your name on my heart
And it's sincerely your's
You signed your name on my heart
You left a permanent mark on my heart
Oh, yes you did
Yes you did
Ooooooooooooh, yes you did you signed
You signed your name on my heart
You left a permanent mark on my heart
