Time Has Come Today

Angry Samoans

I have to roam
I've got no home
My mind is blown
The truth is unknown!
Time has come
Time has come today
Time has come
Time has come today
I have no place to stay
Thinking about the subway
The rules have changed today
This world is blown away!
Time has come
Time has come today
Time has come
Time has come today
I have no home
I have no home
I have no home!
No place to run
I'm staring at the sun
Thinking about the subway
This world is blown away!
Time has come
Time has come today
Time has come
