## Rattlesnake Shake

## **Skid Row**

Tricky little Vicky walks along south street She learned her French from the boys that she'd meet I gotta laugh when I hear them say She's a sweet little cheese when the cat's awayI know what you been tryin' What you got ain't worth buyin' Can't make livin' workin' door to doorShake, shake, shake it like a rattlesnake Boom, boom baby out go the lights Shake, shake it like a rattlesnake Stayin' up late, doin' the rattlesnake shakeJuicy Miss Lucy always diggin' on junk She's on the corner talkin' trash with the punks Her buried treasure is so easy to see 'Cause talk is cheap and so is she You're lost in search of passion But prince charmin' ain't in fashion So let it bleed if you wanna stayShake, shake, shake it like a rattlesnake Boom, boom baby out go the lights Shake, shake it like a rattlesnake Stayin' up late doin' the rattlesnake shakeShake, shake, shake it like a rattlesnake Boom, boom baby out go the lights Shake, shake it like a rattlesnake Stayin' up late doin' the rattlesnake shakeShake, shake, shake it like a rattlesnake Boom, boom baby out go the lights Shake, shake it like a rattlesnake Stayin' up late doin' the rattlesnake shake
