JelaCee

## Chorus

In the next three minutes if I don't get a drink  
You ain't seein pink, you ain't seein pink  
In the next two minutes if I don't get a sip  
You ain't get shit, you ain't get shit  
In the next minute if I don't get a shot  
We ain't gettin hot, we ain't gettin hot  
In the next five seconds if I don't get a glass  
You ain't gettin' ass, boy don't even ask

## Verse 1

I see these boys they always think  
If I can hit it I'd be dopiest  
I look like sex with no regret  
So Mr. Arie go get me something  
You won't get a chance 'less you spend it  
Tell the bartender have them sent it  
Lah, Lah, Lah, Lah  
I'm still here waiting  
Blah, Blah, Blah, Blah  
You just keep stuttering

## Chorus

In the next three minutes if I don't get a drink  
You ain't seein pink, you ain't seein pink  
In the next two minutes if I don't get a sip  
You ain't get shit, you ain't get shit  
In the next minute if I don't get a shot  
We ain't gettin hot, we ain't gettin hot  
In the next five seconds if I don't get a glass  
You ain't gettin' ass, boy don't even ask

## Verse 2

Like oh my gosh, I think he looks lost  
You play that cost or I ain't going near that box (Not in the box)  
Until the taxi, until I'm tipsy  
If you can't please me  
Then I'll be saying next, peace  
Jump on it, time is ticking  
If it don't come quick, I'll be bouncing  
Lah, Lah, Lah, Lah  
I'm still here waiting

Blah, Blah, Blah, Blah

Last call is coming
