Massage Therapy Room

Relax, relax
(Make your mind)
Make your mind with me
With meI'm on my (my), way home (home)
About to hit the exit
Do you need some (some)
Cuz I know you had a long day, whoa
Do you miss me? (me)
Cuz I miss you (you)
And that sexy little thing
You make your lips do
Way your hips move
Keep me thinking about the
Love I wanna give you (give you)You deserve the world,
If I could give it
Stars would come to you
And ask permission to shine
Cuz only you shineAnd tonight I got your
Neck(neck), shoulders, back (back, back, back)
Baby I'ma touch on all that
Once I pull in the garage
(Once pull in the garage)
Once I hop up out the car
(Once I hop up out the car)Ima relieve your
Stress (Stress) yes (yes)
Baby fall back
Tonight I'm gon be working all that
Lose the panties and the bra
(Take em off)
I'ma start with a massage (massage)From your head to your toes, massageOh, oh, girl cut off the TV
Oh, oh, get the room ready for me
Pull the shades down
Turn the lights low (lights low)
I'ma get the oil and the towel (towel)
I'm so close (so close)
Almost (almost)
About to turn the corner
Down on our road (on road)
Whoa, fact I'm in the driveway nowYou deserve the world,

If I could give it (oh)
Stars would come to you
And ask permission to shine (you the only one)
Cuz only you shine (my world girl)And tonight I got your
Neck(neck), shoulders, back (back, back, back)
Baby I'ma touch on all that
Once I pull in the garage
(Once pull in the garage)
Once I hop up out the car
(Once I hop up out the car)im gone relieve your
stress (stress) yes (yes)
Baby fall back
Tonight I'm gon be working all that
Lose the panties and the bra
(Take em off)
I'ma start with a massage (massage)From your head to your toes
Girl I promise I'ma go
From your toe to your neck
Girl scream if you need more
Oh, we'll take our time
Rub it up and down all night
Just let me goWhere you want my hands?
I'ma put em on ya
Anywhere they lay,
Baby let me warn you now (now, now)
Once to lay you downPromise you gon feel it from your
Neck (neck), shoulders, back (back, back, back)
Baby I'ma touch on all that
Once I pull in the garage
(Once pull in the garage)
Once I hop up out the car
(Once I hop up out the car)Im gone relieve your
stress (stress) yes (yes)
Baby fall back
Tonight I'm gon be working all that
Lose the panties and the bra
(Lose the panties, lose the bra)
I'ma start with a massage (massage)I'ma run you down right now
(From your head to your toes)
Anyway you want me to go
Promise I got ya
(From your toes to your neck)
Neck (neck), shoulders (neck), back
Just relax
Lay your body down

I'ma give you a massage
