

Gypsy Heart

Colbie Caillat

It's a sunny day on the Golden Coast
I'm a dream away and I'm good to go
Gotta zeppelin groove on the stereo
And the song that is on gets inside my soul I'm a gypsy heart, you're a vagabond
Anywhere we are is where we belong
But you're far away and its been too long
So I go where I'm going I never know but I can't wait to get back out on the road
Countin' every mile til I get where I'm going
I don't even care if its fast or its slow
As long as its taking me to ya I'm a gypsy heart
I'm a gypsy heart
I'm a gypsy heart
As long as its taking me to..ya So I take a breath and I close my eyes
Now I see your face and I start to smile
I'm a singing bird in an open sky
So I fly and I fly til I get real high and I can't wait to get back out on the road
Countin' every mile til I get where I'm going
I don't even care if its fast or its slow
As long as its taking me to ya I'm a gypsy heart
I'm a gypsy heart
I'm a gypsy heart
As long as its taking me to ya (Bridge)
If I'm in your arms I can dream all day
If there's clouds in the sky we can wish them away
Cuz I need you right now and I don't wanna wait
So I walk til I run and I run til I fly cuz (2X)
I can't wait to get back out on the road
I'm countin' every mile til I get where I'm going
I don't even care if its fast or its slow
As long as its taking me to ya I'm a gypsy heart
I'm a gypsy heart
I'm a gypsy heart
As long as its taking me to ya
As long as its taking me to ya
As long as its taking me to ...ya
