I Believe

Tears for Fears

I believe That when the hurting And the pain has gone We will be strong Oh yes, we will be strongAnd I believe That if I'm crying While I write these words Is it absurd? Or am I being real?I believe That if you knew just What these tears were for? They would just pour Like every drop of rainThat's why I believe It is too late For anyone to believe believe That if you thought for a moment Took your time You will not resign, resign Resign yourself to your fateAnd I believe That if it's written in the stars That's fine I can't deny That I'm a Virgo tooI believe That if you're bristling While you hear this song I could be wrong Or have I hit a nerve? That's why I believe It is too late For anyone to believel believe That maybe somewhere In the darkness, in the night time In the storm in the casino Casino Spanish EyesAnd I believe No I can't believe that every time You hear a new born scream You just can't see the shaping of a life
