

# Carry Me Home

Sarah Connor

Carry me home, sing that old familiar song  
It's just you and me, I'm just a little weak  
Carry me home, be my voice when I can't speak  
And carry me, carry me, carry me  
When it gets too complicated and the lights are low  
And you're standing in the room and you're all alone  
Turn it up, lift it up, wake me up  
And sell me your dream  
I know I might regret it but I don't give a damn  
All I want is a soothing hand  
Make it pop, burn it up, fill the cup  
And sell me your dream  
Carry me home, sing that old familiar song  
It's just you and me, I'm just a little weak  
Carry me home, be my voice when I can't speak  
And carry me, carry me, carry me  
Carry me home, carry me home  
Carry me home, carry me home  
Carry me home  
Carry me home  
And carry me, carry me, carry me  
So tell me about the places where you have been  
And all the great things that you have seen  
Entertain, say my name, play the game  
And sell me your dream  
Come and be my blanket when I can't sleep  
I wanna be wrapped up in your skin  
Close my eyes, hold me tight  
  
Be surprised and sell me your dream  
Carry me home, sing that old familiar song  
It's just you and me, I'm just a little weak  
Carry me home, be my voice when I can't speak  
And carry me, carry me, carry me  
Carry me home, carry me home  
Carry me home, carry me home  
Carry me home  
Carry me home  
And carry me, carry me, carry me

When the hope has all gone  
And you feel like the only one  
And you slide, you cry after all  
That is said and done  
Carry me home, sing that old familiar song  
It's just you and me, I'm just a little weak  
Carry me home, be my voice when I can't speak  
And carry me, carry me, carry me  
Carry me home, carry me home  
Carry me home, carry me home  
Carry me home  
Carry me home  
And carry me, carry me, carry me  
Carry me home
