

# There You Go (False You)

## Flick

Take it, take it all away, if you feel that way  
Leave me here to stay  
Burn, burn it all up, 'cause I don't care anymore  
I've already had enough There you go again, you make it look so real  
But I know it's not who you want to be  
There you go again, you make it look so real  
But I know it's not who you want to be I feel what you want me to feel  
Nothing seems real to me anymore  
And I will say, what you want me to say  
I'll be what you want me to be  
If that's the way you want it, okay There you go again, you make it look so real  
But I know it's not who you want to be  
There you go again, you make it look so real  
But I know it's not who you want to be Na, na-na, na na, na, na-na-na, na  
Na, na-na, na na, na, na-na-na, na  
Na, na-na, na na, na, na-na, na, na, ah There you go again, you make it look so real  
But I know it's not who you want to be  
There you go again, you make it look so real  
But I know it's not who you want to be There you go again, you make it look so real  
But I know it's not who you want to be  
There you go again, you make it look so real  
But I know it's not who you want to be
