

Hey Little Cobra (Single Version)

The Rip Chords

Hey little cobra, don't you know you're gonna shut 'em down I took my Cobra down to the track

Hitched to the back of my Cadillac

Everyone was there just a-waitin' for me

There were plenty of Stingrays and XKs Shut 'em down

(Spring little Cobra, get ready to strike)

Shut 'em down

(Spring little Cobra with all of your might) Shut 'em down

(Spring little Cobra, get ready to strike)

Shut 'em down

(Spring little Cobra with all of your might)

Hey little Cobra, don't you know you're gonna shut 'em down

When the flag went down, you could hear rubber burn

The Stingray had me goin' into the turn

I hung a big shift and I got into high

And when I flew by the Stingray, I waved bye-bye Shut 'em down

(Spring little Cobra, get ready to strike)

Shut 'em down

(Spring little Cobra with all of your might) Shut 'em down

(Spring little Cobra, get ready to strike)

Shut 'em down

(Spring little Cobra with all of your might)

Hey little Cobra, don't you know you're gonna shut 'em down Around the far turn in the straight-away

I was blowin' off everythin' that got in my way

The Stingrays and Jags were so far behind

I took my Cobra out of gear and let it coast to the line

Shut 'em down

(Spring little Cobra, get ready to strike)

Shut 'em down

(Spring little Cobra with all of your might) Shut 'em down

(Spring little Cobra, get ready to strike)

Shut 'em down

(Spring little Cobra with all of your might)

Hey little Cobra, don't you know you're gonna shut 'em down Shut 'em down, shut 'em down, shut 'em down

Shut 'em down, shut 'em down, shut 'em down
