Charlie

The Deviants

Yeah .. uh huh!
Yeah .. uh huh!
No, oh no, Charlie oh no, oh no
All the time you wonder why
People always tell you that you're so strange
You hide a funny face behind
A head of hair
You never care, what they say
(you never do)
Everyone would love you the way that I love you
But they don't (oh no)
They don't know you like I do
Charlie, oh how stars shine in your eyes
Just one look and we're all hypnotized
Charlie, you're like sunlight in the rain
And if you go,
The world without you just won't be the same
Don't try to hide a smile
If you're shy then walk with me you'll be fine (you'll be fine)
Let it go, because you know that all
I wanna do is be by your side (by your side)
Everyone would love you the way that I love you
But they don't (oh no) they don't know you like I do

Charlie, oh how stars shine in your eyes (in your eyes)
Just one look and we're all hypnotized
Charlie, you're like sunlight in the rain and if you go
The world without you just won't be the same
You're a diamond in the rough
Pretty sweet but lookin' tough
Somethin' about you so mysterious
Just so perfect how you are, you'd be the biggest superstar
If you'd quit acting oh so serious
Everyone would love you the way that I love you
But they don't (oh no)
They don't know you like I do
Charlie, oh how stars shine in your eyes
(and you're so beautiful)
Just one look and we're all hypnotized

(we're all hypnotized)
Charlie, you're like sunlight in the rain and if you go
The world without you just won't be the same
(so keep shinin uh-huh)
Charlie,the world without you just won't be the same
The world without you just won't be the same
The world without you just won't be the same
