

# Charlie

## The Deviants

Yeah .. uh huh!

Yeah .. uh huh!

No, oh no, Charlie oh no, oh no

All the time you wonder why

People always tell you that you're so strange

You hide a funny face behind

A head of hair

You never care, what they say

(you never do)

Everyone would love you the way that I love you

But they don't (oh no)

They don't know you like I do

Charlie, oh how stars shine in your eyes

Just one look and we're all hypnotized

Charlie, you're like sunlight in the rain

And if you go,

The world without you just won't be the same

Don't try to hide a smile

If you're shy then walk with me you'll be fine (you'll be fine)

Let it go, because you know that all

I wanna do is be by your side (by your side)

Everyone would love you the way that I love you

But they don't (oh no) they don't know you like I do

Charlie, oh how stars shine in your eyes (in your eyes)

Just one look and we're all hypnotized

Charlie, you're like sunlight in the rain and if you go

The world without you just won't be the same

You're a diamond in the rough

Pretty sweet but lookin' tough

Somethin' about you so mysterious

Just so perfect how you are, you'd be the biggest superstar

If you'd quit acting oh so serious

Everyone would love you the way that I love you

But they don't (oh no)

They don't know you like I do

Charlie, oh how stars shine in your eyes

(and you're so beautiful)

Just one look and we're all hypnotized

(we're all hypnotized)

Charlie, you're like sunlight in the rain and if you go

The world without you just won't be the same

(so keep shinin uh-huh)

Charlie, the world without you just won't be the same

The world without you just won't be the same

The world without you just won't be the same
