

1974

Rubin Steiner

We were young
And none of us know quite what to say
 But the feeling moved
 Among us in silence anyway
 Slowly we had madeQuite a change
 Somewhere we had crossed a big line
 Down upon our knees
 We had tasted holy wine
 And no one could sway us
 In a life timePurer than the sky
 Behind the rain
 Falling down all around us
 Calling out from a boundless loveLove had lit a fire
 We were the flame
 Burning into the darkness
 Shining out from inside usNot a word
 And no one had to say
 We were changed
 Nothing else we lived through
 Would ever be same the same
 Knowing the truth
 That we had gainedPurer than the sky
 Behind the rain
 Falling down all around us
 Calling out from a boundless loveLove had lit a fire
 We were the flame
 Burning into the darkness
 Shining out from inside usStay with me
 Make it ever new
 So time will not undo
 As the years go by
 How I need to see
 That's still meFalling down all around us
 Calling out from a boundless loveYeahBurning into the darkness
 Shining out from inside usPurer than the sky
 Behind the rain
 Falling down all around us
 Calling out from a boundless loveLove has lit a fire
 I am the flame

Burning into the darkness
Shining out from inside usPurer than the sky
Behind the rain
Falling down all around us
Calling out from a boundless love
(Ohh)Love has lit a fire
I am the flame
Burning into the darkness
Shining out from inside usPurer than the sky
Behind the rain
Falling down all around us
Calling out from a boundless love
