Somewhere in Iowa

Pavo Pavo

you can drive if you wanna
I will sit in the middle, sit in the middle
kids are out on the weekend
cross our fingers they'll come over
stick it out for the season, out for the seasonover now
are we sober now?
we can sell the car, keep the seats
we will not get caught in a dust storm, honey
if we're underneath each other's arms
how about we apologize
all those things we had on our minds
envy on our side
I had a lock in mine, too
summer days, hanging on those summer days
something that you cannot overrate
summer days, they'll be back again someday, they'll be back again somedaywe will not get caught in a dust storm, honey
if we're underneath each other's arms
