

We're All Water

Yoko Ono

There may not be much difference
Between Chairman Mao and Richard Nixon
If we strip them naked
There may not be much difference
Between Marilyn Monroe and Lenny Bruce
If we check their coffins
There may not be much difference
Between White House and Hall of People
If we count their windows
There may not be much difference
Between Raquel Welsh and Jerry Rubin
If we hear their heartbeat
We're all water from different rivers
That's why it's so easy to meet
We're all water in this vast, vast ocean
Someday we'll evaporate together
There may not be much difference
Between Eldridge Cleaver and Queen of England
If we bottle their tears
There may not be much difference
Between Manson and the Pope
If we press their smile
There may not be much difference
Between Rockefeller and you
If we hear you sing
There may not be much difference
Between you and me
If we show our dreams
We're all water from different rivers
That's why it's so easy to meet
We're all water in this vast, vast ocean
Someday we'll evaporate together
What's the difference?
What's the difference?
There's no difference
There's no difference
What's the difference?
What's the difference?
