

Make Up Mind

Lou Reed

I can't seem to make up my mind
I can't tell the colors
That will fit this room
I can't tell a thing about you make up my mind I can't seem to make up my mind
Are you laughing at me
Or telling a joke, the cigarette on the sheet
Begins to smoke, make up your mind Right or left, up or down
In or out, straight or round
Love or lust, rain or shine
I can't seem to make up my poor mind I can't seem to make up my mind
I can't tell the difference between wrong and right
Are you laughing at me in your sleep tonight
