

The Long And Winding Road

Paul McCartney & Wings

The long and winding road
That leads to your door
Will never disappear
I've seen that road before
It always leads me her
Lead me to you doorThe wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day
Why leave me standing here
Let me know the wayMany times I've been alone
And many times I've cried
Any way you'll never know
The many ways I've triedBut still they lead me back
To the long winding road
You left me standing here
A long long time ago
Don't leave me waiting here
Lead me to your door
