

So Good, So Right

Joe Cocker

We're on the shores of nowhere
looking out to sea
i turn and kiss your face and you laugh at me, laugh at me
how do i feel when I feel like rain
feel like saying
it feels so good so right to be with tonight {chorus}
There is no space between the ocean, you, and me
Exchanging life force as we live and breath
together we'll be
how do i feel when i feel like saying
feel like praying
feels so good so right to be with you tonight {chorus}
you make me feel so young the way we laugh and play
like a child in the sun
you know I wanna stay
in love this way
how do i feel when i feel like praying, feel like saying
It;s feels so good so right to be with you tonight
