

I Just Want To Dance With You

George Strait

I don't want to be the kind to hesitate
Be too shy, wait to late
I don't care what they say other lovers do
I just want to dance with you I got a feeling that you have a heart like mine
So, let it show, let it shine
If we have a chance to make one heart of two
I just want to dance with you [Chorus]
I want to dance with you
Twirl you all around the floor
That's what they intended dancing for
I just want to dance with you
I want to dance with you
Hold you in my arms once more
That's what they invented dancing for
I just want to dance with you I caught you looking at me when I looked at you
Yes, I did; ain't that true?
You won't get embarrassed by the things I do
I just want to dance with you Oh, the boys are playing softly, and the girls are too
So am I, and so are you
If this was a movie, we'd be right on cue
I just want to dance with you [Chorus] I want to dance with you
Twirl you all around the floor
That's what they invented dancing for
I just want to dance with you I want to dance with you
Hold you in my arms once more
That's what they intended dancing for
I just want to dance with you I just want to dance with you I just want to dance with you
I just want to dance with you
