

Someone to Save You

OneRepublic

Patience
Took you for everything
Looked like a diamond ring
You are so much longer
That made sense
Apathy in disguise
Crept on you like a spy
Hurt you in ways
You can't describe Back to the start now
I won't let you go this way now Honesty
Is what you need
It sets you free
Like someone to save you
Let it go
But hurry now
There's undertow
And I don't want to lose you now All right
Sit down and spill your heart Let's start from the very start
'Cause I can see by your eyes
You're wasted
Your energy comes and goes
You taking your time, you know
Nothing can change what happened, and so Back to the start now
I won't let you go this way now Honesty
Is what you need
It sets you free
Like someone to save you
Let it go
But hurry now
There's undertow
And I don't want to lose you now Now
Now
Oh my
Look at your bright stars fade so
How much can you take? Honesty
Is what you need
It sets you free
Like someone to save you
Let it go

But hurry now
Theres undertow
And I don't want to lose you nowNa Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na NaI said to save you
Save you
Save you
Someone to save you
What you need is
Someone to save you
