Could It Be

Raisa

Kau datang dan jantungku berdegup kencang
kau buatku terbang melayang
tiada ku sangka getaran ini ada
saat jumpa yang pertamaMataku tak dapat terlepas darimu
perhatikan setiap tingkahmu
tertawa pada setiap candamu
saat jumpa yang pertamaCould it be love, could it be love
could it be, could it be, could it be love
could it be love, could it be love
could this be something that I never had
Mataku tak dapat terlepas darimu
perhatikan setiap tingkahmu
tertawa pada setiap candamu
saat jumpa yang pertamacould it be love, could it be love
could it be, could it be, could it be love
could it be love, could it be love
could this be something that I never hadcould it be love, could it be love
could it be, could it be, could it be love
could it be love, could it be love
could this be something that I never had
Oh mungkinkah ini cintaCould it be love, could it be love
could it be, could it be, could it be love
could it be love, could it be love
could this be something that I never had
could it be love, could it be love
could it be, could it be, could it be love
could it be love, could it be love
could this be something that I never hadCould it be love
