Ladies' Night (Treat Her Like Heaven)

R. Kelly

Go ladies, go ladies
Go ladies, go ladies
Go ladies, go ladies
Go ladies, go ladies
Uh, whoo!She's like the sun shining bright, a romantic moonlight
Like white clouds and blue skies, she's got diamonds in her eyes
My rainbow after the rain, she's my joy after the pain
Far away paradise, make you wanna touch the sky
Like the highest mountain peak as the ocean goes deepI wanna dance with that woman, yeah
Dance with that woman, yeah
I wanna dance with that woman, yeah
I'm gonnaTreat her like heaven, yeah
Treat her like heaven, yeah
Treat her like heaven, yeah
Treat her like heaven, yeahMake her smile, yeah
Keep her happy, yeah
Take her stepping yeah
Yeah, yeahShe's like the greatest waterfalls on Christmas she's Miss Santa Claus
Just like Grandma's apple pie, girl, you're all the reasons why
She's a comforter and friend, I tell you she's that peace within
She's the lover in my home, she's the strength when I'm not strong
Every day my valentine, I'm so glad heaven made her mineI wanna dance with that woman, yeah
Dance with that woman, yeah
I wanna dance with that woman, yeah
I'm gonnaTreat her like heaven, yeah
Treat her like heaven, yeah
Treat her like heaven, yeah
Treat her like heaven, yeahMake her smile, yeah
Keep her happy, yeah
Take her stepping yeah
YeahSometimes we forget what the woman means to us
That's why I want ladies night to show the ladies some love
So fellas stand on your feet take your girl by the hand
And walk her to the dance floor and begin toDance yeah, whoa
