Black Death 1349

The Middle East

(two, three, four)
Black Death, 1349
Rats are coming down the Rhine
Pretty girls, little boys
Bring all just a-and-b's (?)
In the void (?)
Picking with (?) 13 Jews
Ain't you ever heard the news
With all those (?)
Little babies in the void
Jesus Christ was what a noise (?)
Saviour coming down the Rhine
Black Death, 1349
