

Laurel

Goldfrapp

Looking for light
A golden light
Red red hair
And almond eyes Searching for love
A wallet's hot
The price is right
It's money for love Looking for light
A golden light
With your red red hair
And almond eyes Laurel you came here Looking for light
A golden light
With your red red hair
Your almond eyes Strange how he's cold
Behind the smile
An angry mind
Don't wait for tonight Lying for lies
A golden lie
Your red red hair
Your almond eyes Laurel you came here
Laurel came here Fear is a fog
Rolling in and around Laurel whispers from inside
Laurel running out of time
