Uh... Uh...
All I want to do is please you (Please You)
Run into this woman let me show you
How I feel (How I Feel)
Love is real (Love Is Real)
Now what I, can never get enough
How I, never, been here before
The more I get, the more I want
Touch me baby, I just love
To do (d-do-d-do-do-d-do-d-do-do-d-do-d-do) it to you

(Chorus)
Grab my body baby
Hold my heart, don't break it
It is yours (It is yours)
It is yours (It is yours)
It is yours (It is yours)
Ohh, and I ain't never been this way
Grab my body baby
Hold my heart, don't break it
It is yours (It is yours)
It is yours (It is yours)
It is yours (It is yours)
Ohh, and I want you to know that I love
You, hold you, hold (Can't get enough, can't get enough)
You, hold you, hold (Can't get enough, can't get enough)
You, hold you, hold (Can't get enough, can't get enough)

(Verse 1)
These are the girls can't see you
If you're rolling, know how much I need you
Every day (Every Day)
In every way (Every Way)
Got me baby, so addicted to you
How, I ain't never, been here before
The more I get, the more I want
Touch me baby, I just love

To do (d-do-d-do-do-d-do-d-do-do-d-do-d-do) it to you

(Chorus)
Grab my body baby (Uhhhh)
Hold my heart, don't break it (Don't Break It)
It is yours (It is yours)

Grab my body baby (You're My)
Hold my heart, don't break it (Don't... Don't)
