

# Absenter

## Jawbox

Entropy's in, embroidered on skin  
corrupt, latch-hook thin for show  
You're in at dusk  
They clean you up until you glow Absenter, absenter Secede, recede, I'll mark your retreat  
Layers at a time, get what you need  
You're marks on tiles, piss in the flowerbed  
Scabs on knees Absenter, absenter Save a little bit, save it  
Send it back to me Absenter, absenter, absenter  
Absenter, absenter, absenter
