7 Days

The Butterfly Effect

Lost our way
And on the road we walk alone
Into the gray
There's no signs to lead us home
Are we bound to fall?
And lose the light of day
Have we lost it all?
How long we've been awayBreak me
You're breaking me so slow
Don't make me
Don't make me let you goSeven days
In the desert of your heart
Count the ways
Every footstep to the start
We got so close this time
Have you come to take me home?I am always on the outside looking in
