

Zonin'

New Boyz

(Legacy)

Like damn I don't really like to argue, think it's pointless, but you like to start too,
like I heard this, she said that, & my new friends told me they must be facts,
here we go with this stuff again, you just met these girls, & you trustin them?
she put it on me, screamin so loud, that I'm left with no choice but to tune her out,
(you stupid motherf***er) I love you too, you workin out girl? I love them shoes!
Yell all you want, if that's what you do, plus I love when your mad, I think its so cute,
I shut her up by the compliments, that's really the only way I can top the fits,
so every time she start yellin In here, I close my eyes, & put my hands on my ear like...

(Chorus)

Na na na, say what? Na na na I cant hear you! Na na na what's that? I cant hear you!
I swear it's like you talkin to a wall, cause I ain't listen to you at all,
but you keep tryna talk talk talk, but wah wah wah,
but talk all the shit you want cause I'll be zonin you out.

(Hook)

Same ol brand new station, I aint listnin, I be zonin you out, you talking like it's the end of the world, but you
aint got shit to say, zonin, out my ear x3, I be zonin you out

(Ben J)

Damn get out my ear though, got these old folks lookin at us like weirdo's,
can we jus sit & talk about it? Instead of you tryna tell ya paps about It,
you don't needa go that far,
it's just me & you, your daddy too old what that nigga gon do?
Oops my bad, you know I aint mean It, what I'm tryna say is we needa quit beefin,
she smiled at me and said "Your right, but who was that girl you was with last night?" She started going off like
burnt lights,
at this rate we never gon work right,
that's when I planned somethin different,
the only way to deal with her is to not listen,

so I put my hands on my ear till she stopped trippin like..

(Chorus)

Na na na, say what? Na na na I cant hear you! Na na na what's that? I cant hear you!
I swear it's like you talkin to a wall, cause I ain't listen to you at all,
but you keep tryna talk talk talk, but wah wah wah,
but talk all the shit you want cause I'm zonin you out.

(Hook)

Same ol brand new station, I aint listnin, I be zonin you out, you talking like it's the end ff the world, but you
aint got shit to say, I'm zonin, out my ear x3, I be zonin you out

(Legacy)

Seem like all you want is for me to hear ya voice,
even if all the things you say is true,
there's still no point, for you to be trippin like you are, it ain't that bad,
I even left my ex girl for you, & she ain't that bad,
here we go again, here we go again same damn arguin,
I don't know the chick I don't know the chick , will you please get off my ear,
think about all the times that you find out a lie just to bring you down,
your way to loud, if you gon try & shout, then ill be zonin you out like..

(Chorus)

Na na na, say what? Na na na I cant hear you! Na na na what's that? I cant hear you!
I swear it's like you talkin to a wall, cause I ain't listen to you at all,
but you keep tryna talk talk talk, but wah wah wah,
but talk all the shit you want cause I'm zonin you out.

(Hook)

Same ol brand new station, I aint listnin, I be zonin you out, you talking like it's the end ff the world, but you
aint got shit to say, I'm zonin, out my ear x3, I be zonin you out
