

# Holy Ghost

## Modern Baseball

He's been haunting my dreams at night  
I've been bleeding from tripping in the dark  
Trying to turn on the light  
Trying to turn on the lightHe's been haunting my dreams alright  
I've been hollering at him in the dark  
Trying to find the right switch  
Yeah, my third wish  
Has always been three moreBut this time my holy ghost is hovering over me  
And I am passed out on the floor
