Love Eyes

Nancy Sinatra

LOVE EYES Nancy Sinatra My world lies right there in your love eyes... your love eyes Love eyes... Baby you sure got Love eyes... Turn me on a lot Love eyes... Make me do what's right Love eyes... Keep me all uptight Me world lies right there in your love eyes... your love eyes 'Cause everything I do, you know I do it just for you You know I know You know everything I do All I'll ever need is in your..... Take me in your arms, make me realize Love eyes... yeah, they keep my loving true Love eyes... Nothing else will do My world lies right there in your..... Love eyes... Baby you sure got Love eyes... Man they turn me on a lot My world lies right there in your love eyes Y o u r l o v e e y e s From: Kelly Carnahan
