Red Balloon

EyeDea

My heart is like a red balloon
Suspended over my head
And if it flew me to the moon
Then I would live up there insteadI'll take along a horse to ride
So I could travel where I please
And I would bring a lot of wine
Because I heard its made of cheeseOoh
And I would bring a lot of wine
Because I heard its made of cheese
Haah
And I would bring a lot of wine
Because I heard its made of cheeseI'll tie a kiss to my balloon
I'll set it free and watch it fly
It's not a long way to the moon
Some day you'll see it in the sky
I'll have a lot of songs to write
I'll sing them to the stars above
And if they reach you in the end
You'll know you always had my loveHaah
And if they reach you in the end
You'll know you always had my love
Haah
And if they reach you in the end
You'll know you always had my loveI wanna write a story
I wanna scream out loud
I'm gonna fly forever
I wanna lose this crowd
Don't need no happy ending
Don't want a gilded cage
Don't want to be an actor
My life is not a stageThey say a storm is coming
I got the holy grail
You better keep your money
Because its not for sale
I'm going to be a hero
I got the silver spoon
I'm going to build a spaceship
And meet you on the moonOoh
You'll know you always have my heart

Haah
My heart is like a red balloon
Hooh
Hooh
Suspended over my head
Hooh
HoohMy heart is like a red balloon
Suspended over my head
And if it flew me to the moon
Then I would live there instead
