Yours Truly

embrace today

as i write to you another thoughtless night alone
well i could cut my wrists with this razor
but fuck you and fuck your dreams as
you depend on someone else well i could smash your face with this thing
and noone would even care to read these words.
how the fuck does it make you feel?
your staring out, starign out into the unknown.
why cant you see whats going on?
its your life and you depend on someone else.
well i could smash your face with this thing
and noone would even care to read these words.
how the fuck does it make you feel?
i staring out. into you.
you thought that i was the one and i thank you for your honesty.
i'm so sorry.
hows it make you feel?
your honesty im so sorry how the fuck does it make you feel?
