Self-Conscious Significance

Normal Like You

This time I've gone too far
take back the things I've said
I'm always wanting more
why do I end up with less? [x3]why do I end up with less of
what seems to be all of the person
that I'm trying to be for you im tryin to be for you.
And it's damn hard but I'll carry on 'cause'
I need your support and I need you to care
'cause' I'm nothing without you im nothing without u yeah..I'll fold
I'm done [x6]I hate how I make you cry
self conscious significance
push all those tears aside
why do I end up with less?why do I end up with less of
the simple satisfaction of the time we've spent together
the answer to this is
myself how I can't keep it together
will my selfishness get better?
someday I'll get better yeah..I'll fold
I'm done [x10]Take back the things i said
why do i end up with less
I hate how I make you cry
why do i end up with less
self conscious significanceTake back the things i said
why do i end up with less
I hate how I make you cry
why do i end up with less
self conscious significanceI'll fold and I'm done
