

Daisy Mae

Leon Bridges

Oh how I love, an uptown girl
She's the one I'm thinking of
Daisy Mae
Your mother don't approve of me
So I take the midnight trolley
To be with her
Daisy Mae
Daisy Mae
Daisy Mae
Daisy Mae
Daisy Mae

I know I live all the way across town
Mhm
Girl, you know, I am bound by your love
You're the one I wanna be around all the time
I'm so glad, you're all mine

Oh how I love, an uptown girl
She's the one I am thinking of
Daisy Mae
Your mother don't approve of me
So I take the midnight trolley
To be with her
Daisy Mae
Daisy Mae
Daisy Mae
Daisy Mae
Daisy Mae
