Promoter of Earthbound Causes

Clutch

Warmed up my motor, swindled the promoter
Took the lunatic for a ride
And a little voice said inside my head
Said, "Rosemary baby, I got the thyme"Suffering madness and the Pharaoh's plague
I, Akhenaten tell you some other day
No thank you, that's enough for me
A little bit of Ritalin goes a long wayReady to rock if you want to roll
Please step away from the vehicle
Ragnarock and revolutionize
Gimme just a minute while I clarify
Cooled down my temper, I tried to remember
What it was I wasn't to lose
And I probably could, were it not for
The beer and the broads and the broads and the boozeHooked on stupid and the whole shebang
I never have ever felt the same
No thank you, that's enough for me
That's prozacly not what I needReady to rock if you want to roll
Please step away from the vehicle
Ragnarock and revolutionize
Gimme just a minute while I clarifyReady to rock if you want to roll
Please step away from the vehicle
Ragnarock and revolutionize
Gimme just a minute while I clarify
Ready to rock if you want to roll
Please step away from the vehicle
Ragnarock and revolutionize
Gimme just a minute while I clarify
