

Fernando

Jenny Lewis with The Watson Twins

I will born you sell like a waterfall
Land speak or land slide
I have a low key and a Johnny
A good buzz, feeling all right
A picture tent and a bible top
Forget about what you ain't got
See the sides, sleep till night
Stamp your feet turn out the lights
If you wanna go where they chain up the sun
See Fernando, See Fernando
He'll buy, bottle the suns for you and everyone
See Fernando, See Fernando
If you're high strung or stressed out
Down in the dumps, been turned out
Stabilized, motorized, insecure or fabilized
Curious or Furious, picked apart like Prometheus
Meabilized, penalized, simplified, dry out your eyes
If you wanna go where they chain up the sun
See Fernando, See Fernando
He'll buy, bottle the suns for you and everyone
See Fernando, See Fernando
You've been Jezebeled, back from hell
Coolin off, feelin well
Tired of talkin, talked out
Ticked off and toughed up
Too talled and backed up
Haven't made your mind up
DVDed or Tved
Tired of fallin to your knees
If you wanna go where they chain up the sun
See Fernando, See Fernando
He'll buy, bottle the suns for you and everyone
See Fernando, See Fernando
If you wanna go where they chain up the sun
See Fernando, See Fernando
He'll buy, bottle the suns for you and everyone
See Fernando, See Fernando
