Castaway

Trapt

I watched the waves come crashing down
The rocks behaved like daggers now
Reminding me of the life I had
When I was up on my feet on dry land
I never got to say goodbyeI've been castaway
Cast out when the boat capsized
And the rising tide took me so far away
I've been castaway
Come find me when you see the light
As the pair ignites I'm here for you to save
Don't leave me stranded here
Castaway
Don't let me disappear
Castaway
I knew what I washed up on the shore
I couldn't miss you anymore
An ocean separates our worlds
I don't want you to wait in vain for my return
I never got to say goodbye
I watched the waves come crashing down
The rocks behaved like daggers now
Reminding me of the life I had
When I was up on my feet on dry land
I never got to say goodbye
I've been castaway
Cast out when the boat capsized
And the rising tide took me so far away
I've been castaway
Come find me when you see the light
As the pair ignites I'm here for you to save
Don't leave me stranded here
Castaway
Don't let me disappear
Castaway
I knew what I washed up on the shore
I couldn't miss you anymore
An ocean separates our worlds
I don't want you to wait in vain for my return
I never got to say goodbyeI've been castaway

Cast out when the boat capsized
And the rising tide took me so far away
I've been castaway
Come find me when you see the light
As the pair ignites I'm here for you to save
Don't leave me stranded here
Castaway
Don't let me disappear
Don't leave me stranded here
Castaway
Don't let me disappearI'll be here dreaming of the way it used to be
I'll never forget you, so don't stop searching for meI've been castaway
Cast out when the boat capsized
And the rising tide took me so far away
I've been castaway
Come find me when you see the light
As the pair ignites I'm here for you to save
Don't leave me stranded here
Castaway
Don't let me disappear
Don't leave me stranded here
Castaway
Don't let me disappear
