Been Thru

#Bandgang Aj

These niggas fuck these niggas these bitches fuck em too these niggas they don't know what I been through they don't know what I been through these bitches they don't know what I been through they don't know what I been through but you know me I keep my head high what don't kill me make me stronger only the strong survive bitch you know me I keep my head high what don't kill me make stronger only the srong survive
