

# Been Thru

## #Bandgang Aj

These niggas fuck these niggas these bitches fuck em too these niggas they don't know what I been through they don't know what I been through these bitches they don't know what I been through they don't know what I been through but you know me I keep my head high what don't kill me make me stronger only the strong survive  
bitch you know me I keep my head high what don't kill me make stronger only the strong survive
