

Glue Me

The Apex Theory

what's that in your head
is this that good secret
that's barking up
which one has to run back
to haunt you up
don't worry it's coming
I need to know
what it is
to come back up for airback again (glue me to me)
up for air (glue me to me) what happened
to sneeze you wrong
the footstep of somebody
on to you
what's stopping you
is that a double uproar
it's turning to something
I need to know
what it is
to come back up for airback again (glue me to me)
up for air (glue me to me)
