

Strictly Mr. T

Megan Slankard

Strictly Mr. Thompson goes to work everyday
Except Saturdays, Sundays, and national holidays
 He leaves at three
 He used to leave at four
 But the commute over the Altamont
 Was too much for him
Cars blocked all possible exits and escape was unlikelyWell, today he slammed the sleep button down so hard
 The radio sounded just like chip and dale
 He said, "I refuse to go on this way
 I need a little holiday
 I'll be back in a few hours honey!"
And he hopped into the automobileHe said, "bye baby!
Good day hey!"Strictly Mr. T pulled over to the rest stop
 For one to smoke a cigarette (though he quit)
 And for another 'cause he lost his way
 But hell the view was beautiful
 He called her on the cell phone
but it kept going in and out of analog roam and so he said"Bye baby!
Good day hey!"Strictly Mr. T goes to work everyday
 Except Saturdays, Sundays, and "I can't take it days"
 His boss doesn't seem to mind as long as T works overtime
It will not get deducted from his pay from his pay"From your pay and have a good day!"
 Bye baby!
 Bye baby!
 Good day hey!"
