

Rivers Flow

Viggo (feat. Glow)

i believe i'll take a drink from the well that won't run dry
i believe i'll take a drink from the well that giveth life
thou only knew that if of God & who it was that said to thee
thou would have asked of him- give me drink
 & he will give unto thee
i got a river flowing inside of me
 i'll take a drink forever
 i feel the need
not in the mountains, or in jacob's well
 but from my valley
flows a well streaming of living water
 worshipping thee
i will never thirst again
 everlasting life
for there is spirit in me
 worship & life
 power has come
 & it is now
 spirit & truth
 worship be seeked
the father is seeking someone right now
 that will let go & just believe
i got a river flowing inside of me
 i'll take a drink forever
 i feel the need
not in the mountains, or in jacob's well
 but from my valley
flows a well streaming of living water

 worshipping thee
as the water flows from the rivers to the ocean to the sea
 God your spirit running inside of me
 oh, as the ocean- as the river flows
to this place where we give you our hearts
 give you our hearts
 ohh ohhh ohhh
i got a well that's living inside of me
 life in the flow of worship
 i'll take a drink

i know you're seeking worship
i'll give you a drink
i got a well of worship inside of me
flow, flow
worship inside of me [4x]
life, life
life flowing out of me [4x]
flow, life [7x]
life flowing out of me [7x]
flow, life [12x]
life flowing out of me [3x]
